14 in my phone. So I didn't know who this was.
15 POTASHNIK: Yeah I know, I don't like talking on
16 cell phones.
17 LEE: I just wanted to let you know that
18 everything went well.
19 POTASHNIK: Oh, it did.
20 LEE: Yeah (UI).
21 POTASHNIK: What did they do? What is it, how
22 did they resolve it?
23 LEE: Oh, just retroactive and, and did everything
24 coming down the pipeline um, will be impacted but
25

1 POTASHNIK: Good.

2 LEE: But, retroactive to the other pieces so, (UI).

3 POTASHNIK: Well, I appreciate that. Let DON know

4 that I appreciate him.

5 LEE: They kept dumping it back and they were trying

6 to come up with numbers and he was trying to get a

7 number out of me. And like hell no, (UI) I'm flyin' to

8 California...you, you need to call him and find out

9 what the savings are.

10 POTASHNIK: I think it's about a million bucks but

11 that's...

12 LEE: We got it, we got it through, I just, I just

13 put a number. I said about, you know, it's gonna

14 be like, uh, I said like twenty-five percent on the

15 net revenue, you know, which is kind of, you know.

16 POTASHNIK: Yeah.

17 LEE: You know, where it needs the dollars. You

18 know, you can afford to do that on the bill if you

19 put that in there.

20 POTASHNIK: Well, I appreciate that. When are you

21 leaving?

22 LEE: Um, I'm leaving today. I was supposed to

23 leave at four. I think I'm going to take the next

24 flight at two-thirty because I didn't even go to

25

1 the Commission today.

2 POTASHNIK: Aren't we up on the Commission today

3 for our...?

4 LEE: Yeah, I mean, that's on the

5 consent agenda, that's easy, I mean

6 POTASHNIK: And she's not opposing us, is she?

7 LEE: Yeah, yeah right 'cuz we, we

8 POTASHNIK: She's going to go work for TERRY

9 HODGE, my dad told me.

10 LEE: She needs to do something 'cuz, I mean,

11 that's why she's so evil 'cuz she so broke. You

12 know like, literally, (UI) is broke. It don't

13 make sense, you know, she's

14 POTASHNIK: Well she's got to stop hanging around

15 FANTROY, maybe.

16 LEE: And we were in San Francisco and I was

17 talking, and I was you know, you just can't have

18 those conversations with and you just let her be,

19 you know, let her be.

20 POTASHNIK: Well, she thinks you're probably, you

21 know, whatever.

22 LEE: (UI) I just wanted to let you know that,

23 that, that had got taken care of.

24 POTASHNIK: Okay, I appreciate it. I'll be back

25

1 on Monday and we'll...

2 LEE: Okay.

3 POTASHNIK: ...we'll, get with MATT

4 LEE: CHRIS said they, they told them that um, um,
5 that they were going to (UI) tonight.

6 POTASHNIK: Don't even worry about it. You and I
7 will work this out when I get back in.

8 LEE: Okay, man, I saved the numbers man, I mean
9 they got to make some, some chips off of it.

10 POTASHNIK: You and I, you and I will sit down and
11 work it out. When are you going to be back? Are
12 you going to be back on Monday or no?

13 LEE: Be back on Monday, yeah.

14 POTASHNIK: Okay, well, give me a call when you
15 get back in.

16 LEE: (UI)

17 POTASHNIK: The kids are driving me crazy. Huh?

18 LEE: You let CHRIS and MATT know 'cuz they don't
19 know that I, I'm talking to you and mentioning it to you.

20 POTASHNIK: No, no, don't even, I don't want
21 anybody to know that we're talking about it.

22 LEE: Okay. But they said, they told him, that they
23 gonna, gonna award it, and I didn't say anything
24 about it.

25

1 POTASHNIK: Don't even worry, don't worry about
2 it. We'll worry about it on Monday, or talk about
3 it on Monday.
4 LEE: Okay, man.
5 POTASHNIK: Have a good weekend. Thanks, I
6 appreciate it.
